## **1. MODEM AND SIM CARDS COLLECTIONS – NEW ARRANGEMENTS**

Due to delay in modem configuration into individual details the new collection date is as follows:

- 17/09/2019 (Tuesday) – Grade R – 3 & LSEN – 12:00 – 17:00 – School Hall
- 18/09/2019 (Wednesday) – Grade 4-7 – 12:00 – 17:00 – School Hall

We apologise for the inconvenience. The service provider has poorly planned for this rollout. The SGB has initially cautioned the service provider about tight deadlines, but they were optimistic that they will deliver.

## **2. HERITAGE/ CULTURAL DAY CELEBRATION**

The heritage day celebration will continue as planned on Friday, however there will not be any cultural performances and activities due to the turnout. It will be a normal school day and learners are to bring their books. Learners who have not yet paid should pay R10.00 for civvies and wear their cultural clothes and those who have paid the R60.00 already, should not pay as R10.00 from the money will be deducted towards civvies and the remaining R50.00 will be go into the family fun day celebration which will take place in November. It will be civvies in a form of cultural day.

Subject: Tablets and wifi Modems delivery at school

Dear Principal,

We wish to confirm the following

All parents who have paid the for the e-learning tablets set and have completed the warrantee and insurance forms which were received on Sunday September 09, 2019.

- Tablets
  1. Forms were Captured through all day long (Monday) September 09,
  2. Submitted to insurer on Tuesday September 10,
  3. Insurer currently assessing the user/Parent risk profile according to School premises where tablets will be kept
  4. Insurance certificate to be issued within 48hours -72hours of concluding risk assessment Friday September 13,
  
- wifi modems (Mi-Link Data App)
  1. Parents forms submitted to Mi-Link for configuration of wifi modems according to user/parent data September 11,
  2. Mi-Link requires at least 5-7days to configure at least 350 modems according to each user/parent September 17,
  3. Mi-Link wifi modem operates on and App software to recharge/top up your data (it does not work on a SIM Card) which is the reason for configuring each wifi modem according to its user/parent details.

We sincerely humble request Parents to cooperate on these processes to avoid unnecessary extra costs to the service provider or school if insurance risk cover is not properly assessed and profiled accordingly.

Your unwavering cooperation is truly appreciated parents,

WL Come -The Apostle
